

WISHES COME TRUE FOR OUR HEROES!

Elia, Céline, Kevin, Emma, Léon, Marcel, Zoé, Isabelle, Lucas, Ylena, Justin. Just some of the many wonderful children with special dreams we were able to make come true. The children just impress us with their determination to fight, on a daily basis, their illness or handicap. They are determined to be at their best on the day of their wish. With their parents and siblings beside them, proud and joyful, we see smiles and joy when the wish comes true. The memories created by these wishes carry the children and their families long after that special moment. **We believe in wishes!**

Céline dances with Prince Charming

One day 5-year old Princess Céline pushed open the big wooden doors of a sleepy castle and there was a handsome young Prince who invited her to dance at a wonderful ball attended by all her friends and family *"My little girl is still on Cloud 9. She often speaks about her Prince Charming with stars in her eyes"*. Céline's mum.

Marcel has a new bedroom... with a green chair!

When you have long and tough hospital treatments and days when you want peace and quiet then it is good to have a comfy room to come back to. For 11-year old Marcel his new room is just perfect and the green chair just the right colour!

Isabelle's dream - to fly like a bird

On a fine summer day, our fearless 5-year old Isabelle took to the skies to see what the world looks like when you are a bird! She loved it! When she was flying she told her friend the pilot that this was tons better than she had expected!

Seckin dreamt of having singing lessons

No words other than pure joy can describe what Seckin experienced when Pius came to make Seckin's wish come true along with our volunteer who organized a little party with gifts for the first lesson. Seckin loves the singing lessons and looks forward every week to Pius' visits.

ELIA AND HIS IDOL LAURA PAUSINI

During the long days in hospital, it was listening to Laura Pausini singing which brought great comfort to our happy Elia. A chatty 11-year old, he was lost for words though when his dream came true and lovely Laura Pausini came up to give him a hug. Elia danced the night away at her concert and will forever remember her smile and kind words.

Emma spends a few days by calm waters

"The inside of the cabin is magical, it's like a cocoon of love. In the evening, we light candles and Mummy tells me a lovely story. I let myself be cradled by the water and the deep silence of the place. It's as if time has stopped. Even though I'm still in treatment, it makes me feel better and lessens the pain. So much beauty, so much happiness, so much joy and so much love have given me new strength and courage. I adored my wish". Emma – 6 years.

Luca and Omar Sy become buddies

Invited to a gala filled with movie and tv stars, 14-year old Luca could not believe it when stars like Tony Parker stopped by his table to say hi. But best of all, was spending time with his new buddy – the French actor of the film The Untouchables – Omar Sy. They even danced together and laughed a lot. Omar rocks!

Lea gets the camera of her dreams

14-year old Lea was thrilled to receive the camera of her dreams and felt quite spoilt. Her mum says they will always remember the day her wish came true and how this joyful moment gave so much hope as well. Lea will have lessons from a professional photographer to learn how to use this very special camera.

To all our volunteers, donors, friends and service providers, we wish to thank you for all you do to help us make wishes happen and to make them happen in a magical way. Thank you for giving our children hope, strength and joy through your kindness.
