**KEVIN FLIES A HAWKER HUNTER JET**

It was the perfect day. Kevin was welcomed by Make-A-Wish's very own officer and gentleman: astronaut Claude Nicollier.

Everyone held their breath realising this was it! In a roar of jet acceleration, the air heady with the smell of kerosene, the plane took off, and vanished into the blue sky.

The two headed off into the Bernese Alps, past the north face of the Eiger, over the Aletsch glacier, down a side valley back into the Rhône valley to fly over Kevin's home town. Kevin got to fly the plane for a bit and then announced "I want to do a looping" – and they did - over Gstaad with a G force of 4.5! Everyone whooped with joy when the flight deck roof opened up and the two removed their helmets to thundering applause.

**CAMILLE – OUR NEW JUNIOR AMBASSADOR**

We are very proud that our Wish Child Camille agreed to become a junior Ambassador of Make-A-Wish Switzerland. Camille had her wish granted in 2009 after having waited a very long time to be given the all clear after battling stage-4 cancer. Camille impressed us all with her determination to fight her illness to be able to go up in a hot air balloon. Her dream came true one lovely summer morning as she flew over the mountains with her family beside her.

This is Camille at the **Omnibus Café** [www.omnibus-cafe.ch](http://www.omnibus-cafe.ch) in Geneva which is supporting Make-A-Wish through the sale of their divine chocolate fondant. Camille gave it the thumbs up after tasting the dessert and launched this great campaign to help us reach out to more ill children in Switzerland.

**DENIS' MOVIE GETS A STANDING OVATION**

Denis thought he was checking out a cinema for the screening of his movie so he was surprised when over 50 friends and family stood up from their seats and clapped! Showtime!

Denis wrote, directed and edited his movie "Au feu les pompiers", casting his family and friends and even the journalist Darius Rochebin played his own part! The screening also included outtakes which

had everyone laughing so much the movie was shown 3 times in a row! We have a budding director – so watch out for his next movie!
